

Living in Style

Indoor-Outdoor Luxury

BY ERICA SPIVEY

This Trieste home features unique design trends surrounded by natural beauty – all to benefit a great local cause.

- OWNERS** — Brian and Lewis Baber are the owners of Baber Construction & Development Inc., an independent franchise of Arthur Rutenberg Homes.
- STATS** — Completed in 2006; 3 bedrooms, 3 baths, a study, and approximately 4,800 square feet, including the two-car garage and lanai.
- SPECIAL FEATURES** — Intricate woodwork; distinctive dome ceiling in master suite entrance; elaborate ceramic tile in hallway entrance; decorative iron detailing in main foyer; plasma TV in master room; central vacuum system throughout house; 90-degree corner sliding doors that bring the outside lanai inside. This outdoor living space includes a cooking space; dining area; gas fireplace; and heated pool and spa with sun ledge, waterfalls and spillovers. All of the artistic designs give this home a unique, warm and elegant feel.
- CHARITABLE SUPPORT** — This home is fully furnished and has been open to the public for tours, allowing all profits from tickets sales to benefit Girls Incorporated of Bay County.
- BUILDER** — Baber Construction & Development Inc.
- INTERIOR DESIGNERS** — Arthur Rutenberg Design Studio
- QUOTE** — “All homes in Trieste are required to have at least 10 percent of square footage dedicated to outdoor living features such as screened-in patio, pools or outdoor kitchens,” said developer Alan Robertson. “This makes Trieste a perfect community to enjoy all of our area’s natural resources.”
